

WEATHER AND SEASONS

→ Weather changes from day to day.

Ex: Sunny, Cloudy, Windy, Rainy etc.

→ Summer, winter and rainy seasons are three main seasons in India.

→ Some places have two more seasons called Spring and autumn.

Summer Season:

→ In summer, it is very hot.

→ Hot winds blow throughout the day.

→ People wear light cotton clothes and enjoy drinks such as lassi, shakes etc.

→ We use fans, coolers and air conditioners to keep the heat away.
